Prologue

"Time is in our hands."
J. Weinstock

Time is the most valuable asset man has. He can value it by using it to become anything he desires or he can waste it with his idleness. In school, each individual is offered a personal challenge to significance through his lessons and activities. If the student applies his time well, he will have developed a talent of great importance and made the year his.

Dedication

Teacher, fellow-student, confidante, advisor, friend - Mr. Kagey is something special to everyone at Central, from student to janitor.

In teaching United States History, Mr. Kagey encourages students to think for themselves and to see the relationship between past history and current events, helping students to better prepare for citizenship.

The 1966 edition of the "Wings" is dedicated to Mr. Allen Kagey, a teacher admired by all the students at Central, as well as by his fellow teachers. Through this dedication, Mr. Kagey, we will be able to express to you the many thanks for your services which previously you would not accept.

As SCA advisor, you have spent most of your extra time helping us improve Central and make our SCA an outstanding organization. Your help as a Junior Class sponsor is always appreciated and always well-used. You are a familiar and welcome sight at basketball games, as well as at other activities.

Your day begins early, ends late, and is always completely filled. It is you that we come to first when we need assistance because we know you will always say "Of course!"

Your bright smile, cheerful attitude, and warm heart are just a small part of your winning personality that never changes. Not only are you interested in seeing that all of us are educated, but you also want to prepare us for our future lives in society.

We are grateful to you for what you have done, for always being there when we need a helping hand, and we wish to express this gratitude in the form of this dedication.

ADMINISTRATION

"Time is a great teacher."

C. Sandburg

Administration

Dr. Woodrow Wilson Robinson, Superintendent of Shenandoah County Schools, deserves much credit and recognition for the advancements of the three county schools. He is not just concerned with the schools in general, but takes a special interest in the faculty and students of each. Through him we have seen that honesty, truth, high ideals, and hard labor are necessary characteristics for a full and meaningful life. His sincere interest and earnest devotion in the field of public education will always be remembered long after we have departed.

Dr. W. W. Robinson outlines programs for the three consolidated high schools in Shenandoah County.

Mr. Bob Danley coordinates all school activities to provide a well-rounded education for all students.

As principal of Central High School for the past year, Mr. Robert Danley has done a memorable job. He received his B.S. at Davis and Elkins College. He did graduate work at Madison and Shenandoah College and received his Masters at the University of West Virginia. Mr. Danley has earned the respect and admiration of the entire student body through his willingness and his cheerful attitude. As Mr. Danley has strived to better the scholastic and extra curricular activities at Central, he has enlarged the academic program and strengthened the school spirit measurably.

In his second year as Assistant Principal of Central High School, Mr. Carl Plum has become an integral part of many school activities. He shares the administrative duties with Mr. Danley and, at the same time, works closely with the students. A graduate of Shepherd College in West Virginia, Mr. Plum has spent many extra hours in graduate courses to prepare himself well for his position. His interest in and support of sports, scholarship and students had made him a memorable person.

Mr. Carl Plum assists Mr. Danley in the administration of Central, as well as being football coach.

Administration

Our secretary, Lillian Strickler, is a graduate of Woodstock High School and Shenandoah Business College. She devotes the best part of her day helping activities at Central run efficiently; the faculty and the student body depend on Miss Strickler to help them each day. Miss Strickler mimeographs quizzes, makes and sells the tickets at all athletic events, and designs and prints all programs. Her friendly smile and happy disposition tend to make the office a most pleasant place.

Miss Lillian Strickler keeps the business life of Central running smoothly.

Miss Mary E. Wenger has served as Guidance Director at Central High School for several years. Miss Wenger is a graduate of the College of William and Mary, Williamsburg, Virginia, where she obtained a Bachelor of Arts Degree. She later did graduate work at Madison College and received her Masters Degree in Guidance.

College-Career Day, directed by the guidance committee, has been held at Central for the last few years. Hosts of college officials, students, patrons and friends of the surrounding area attend this important session.

In the guidance department, students find vocational, educational, social and personal information.

Miss Wenger serves as head of the guidance department at Central.

Mrs. Jane Swartz has been a guidance counselor at Central High School for seven years. In this position, she calls students into her office to make out the next year's schedule with her help. She also counsels the students who have made low grades for a six week period.

In 1965, as guidance director for the seniors, Mrs. Swartz assists students in college and scholarship applications, fulfilling service requirements, and selecting suitable vocations.

A graduate of Madison College, Mrs. Swartz has taken many preparatory courses in guidance work; her excellent rapport with students shows her success in her work.

Mrs. Jane Swartz, as senior advisor, guides students in selection of colleges.

Administration

The office helpers work during each class period to perform tasks for the school office. These students willingly give their study time in order to save the teachers, principal, and secretary as much work as possible. Their duties, responsibilities, and capabilities are innumerable. A few of their good will services are to answer the telephone, to cut library and corridor passes for the office, to separate the mail, and to relay messages from the guidance office to the students.

Mrs. Hullihen, Mrs. Dellinger, Mr. Pence, Mr. Butler, Miss Wetzel.
Center: Mrs. Combs.

The women, who work in the cafeteria, are very faithful in their work for the school. They arrive at eight in the morning and leave at two in the afternoon. Mrs. Catherine Whetzel and Mrs. Dorothy Butler prepare the baked dishes and the desserts. Mrs. Reba Hullihen does the main dish; Mrs. Ruth Dellinger, the vegetables and salads.

Mr. Franklin Pence assists the ladies with the heavier work. Danny Suratt helps Mr. Pence with the dishwashing.

The girls, who help the cooks, work for twenty-five minutes on each of the two lunch shifts. Rotating on steam tables, twelve girls work the first shift and ten, the second. Annette Artz collects lunch money during the first lunch; Judy Hottle and Sue Miller, during the second.

STANDING: C. Wetzel, C. Pence, D. Hockman, R. Gouchenour, C. Pryor, G. Dysart, J. Cook, M. Sine, A. Judd, S. Judd, S. Hoover, D. Guess, A. Runion, R. Wolferd, D. Surratt. SEATED: M. Heishman, B. McInturff, A. Artz, C. Wetzel, M. Flick, J. Keeler.

Administration

Mr. Pence, Mr. Long, Mr. Russell

One of the most outstanding features of Central High School is its sparkling cleanliness, provided by three janitors, who devote much of their time to keep Central the cleanest school in Shenandoah County.

Mr. Ripley Long of Woodstock has been a janitor at Central for seven years. He works during the day from 5 A.M. to 2 P.M.

Mr. Lloyd Pence of Woodstock joined the staff during the school term of 1962-1963. He starts at 2 P.M. and stays until the last student, teacher, and meeting has left for the night.

The latest addition for the team of Central janitors is Mr. Lawrence Russell who began in 1964.

There are fourteen school bus drivers, both men and women, students and adults, serving Central High School. As extra activities, they transport teams and spectators to sports events, teachers and students for field trips and special projects. Every day during the week, the bus drivers must take into their hands the responsibility of getting students to and from school without injury. They contend with traffic problems, careless pedestrians, and noisy children; good bus drivers must be very alert and conscious of what they are doing.

STANDING: Mr. Rinker, Mr. Peer, L. Dysart, S. Gochenour, J. Gochenour, Mr. Burner. KNEELING: Mr. George, Mr. Pence, B. Lam. Not pictured are Miss Henry, Mrs. Williams, P. Lutz and G. Bordon.

STANDING: F. Grandstaff, D. Sortzi, A. Copp, V. Golliday, G. Grandstaff, D. Dysart, K. Ryman. KNEELING: G. Wakeman, J. Smooth, H. Cooley, D. Surratt, M. Helsley, B. Henry, M. Keckley, B. Seal.

The Safety Patrolmen assist the bus drivers in transporting students safely, helping both the drivers and the children. Mr. Backman serves as sponsor for this busy group; there is at least one patrolman for every bus. The patrolman has several duties; he must direct traffic while students are loading and unloading, he maintains a maximum of quiet while the bus is in motion, and he should encourage students to act in a safe manner. The Safety Patrol is easily recognized by its silver badge on a white band, symbolizing thoughtful action.

In September, a covered-dish supper was held to welcome the new faculty members. There were ten teachers beginning their first year at Central.

Teachers and their families were invited to join in the fellowship arranged by the Social Committee for the Faculty. Mrs. Petit is chairman this year.

On November 19, the SCA presented a womanless beauty contest. Winner of the booby prize was Coach Carl Plum.

Participants, volunteering to aid the SCA in its drive for the exchange program, included Principal Robert Danley.

Miss Dorothy Rothgeb is rarely seen at rest, for her work takes her from making attractive bulletin boards to helping students with research.

ACADEMICS

"Time . . . has taught us . . . a lesson."
Plutarch

English

The English Department aims to teach language and literature so that they will be an enlightening and rewarding experience for each student. The English instructors help students develop competence in listening, speaking, reading, and writing which will enable them to communicate more effectively. By being provided with stimuli, students learn to work creatively and critically. In these required classes, students are familiarized with various forms of literary tradition which can broaden their thinking and the opportunity for them to read for enjoyment. The department has added several excellent records of poetic and dramatic readings.

Seniors in Mrs. Bright's Accelerated English class study over twenty plays and novels from all literary backgrounds.

In Mrs. Brunk's eleventh grade English class, ROMEO AND JULIET is read and acted out in class.

Mr. Pyron tests sophomores in English background.

Mathematics

The Mathematics Department attempts to teach students to apply principles they learn to practical everyday situations, striving to bring about the realization of the importance of mathematics in reasoning, logic, and better living. By building a strong structural foundation in mathematics, the department aims to prepare students from present and future educational, vocational, and cultural needs. Placing the student foremost in the math program provides the opportunity for each student to advance as far and as fast as possible. Along this line of philosophy, self-discipline and self-evaluation are developed. In the spring of 1966, a student teacher from Madison taught Algebra I and II in this department.

Seniors in Contemporary Algebra prepare for an exam covering four six-week periods under Mrs. Tavenner.

Mrs. Boyer frequently quizzes students in Plane Geometry.

Science

The Science Department is concerned with the needs and interests of the student and the community with respect to the role of science in our rapidly changing environment. In view of this concern, the department is constantly re-evaluating the curriculum in order to keep up to date with the latest technological and instructional changes. Through the study of science in school, students acquire information that will enable them to understand better the nature of the earth and its inhabitants. Such an understanding of science will allow young people to use, both wisely and effectively, our natural resources and the products of modern science and technology.

A Physics class, taught by Mrs. Tavenner, experiments with practice engines.

Biology experiments are directed by student teacher, Mrs. Faulkner.

Much of Chemistry, under Miss Clinedinst, is learned through laboratory work.

Social Studies

Eighth graders in Mr. Backman's Civics class work on their notebooks.

The aim of the social studies department at Central is to prepare youth for effective American citizenship and to help students acquire knowledge, skill, and attitudes essential for sound democratic behavior and good citizenship.

The program seeks to develop in each student an appreciation of our American heritage, democratic way of life, and the moral and spiritual values inherent in the practice of American democracy. Emphasis is placed on both the common good and the individual good, and of the rights and responsibilities of citizenship which are derived from the principles expressed in basic American documents.

Our classrooms are workshops where contemporary social, political and economic questions may be studied.

World History students take notes from student teacher, Mr. Leatherman.

Languages

The Language Department's main goal is to develop an interest in the appreciation of the people, geography, language, and culture of the country whose language is being studied. An awareness of the relation between the student's own language and civilization, and that of another country is realized in the program. The student achieves a deeper understanding of himself, his nation and its history, and the right attitude toward current world situations through study of a foreign language. This department aims to lay a foundation for further proficiency in the language through further study.

Mrs. Morrison's Latin class translates sections of Caesar's wars.

In its first year, Spanish, under the direction of Mr. Chellini, has many students.

Mrs. Gochenour teaches four years of French.

Music and Art

In its first year under Mrs. Miller, the Art class has shown many interesting displays.

The music and art departments offer the students an opportunity to work creatively as artists and musicians while studying the meaning, purpose and history of each field. These studies are both an integral part of our cultural heritage. They provide opportunities for the student to enjoy, explore, perform, create, and appreciate according to his own individual capacity.

We believe in the growth of boys and girls through musical and artistic experiences. Our course offerings are broad enough to lay solid foundations for useful music and art, both vocationally and avocationally.

These 2 departments offer the opportunity to draw upon their services and those of their students in planning and creating any school activity in which art and music play a part.

The Eighth Grade Band practices hard to join the Senior Band.

Vocational

The Vocational Department covers all studies which train students for a particular vocation following high school graduation. Home Economics in Central is interested in providing learning experiences for developing individuals who can be contributing members of families. Through organized work in homemaking education and the Future Homemakers of America, leadership activities are provided and a sense of one's responsibility to her home, community, and nation is instilled early in life. The main objective of the Agricultural Department is to provide a basic agricultural background for rural youth so that they may more easily find their place in the various fields of the agricultural industry. The Business Department believes that business education should place emphasis on developing an economic understanding and competency for all students.

Industrial Cooperative Training attempts to create an awareness of changing conditions in the business world, and to help the student prepare for the change.

In Distributive Education, both the practical application of classroom instruction, and the shared work experiences are contributing factors in helping a student choose his vocation.

Drivers and Physical Education

Boys' Physical Education class studies football plays under the direction of Mr. Emswiller.

One of the newest additions to our school program is the Drivers Education Department. It is offered in the school curriculum in order that proper attitudes, habits, and skills may be developed by young drivers. In order to qualify for the course, students must have finished the Drivers Education manual taught in the health classes. Under the supervision of Mr. Stanley Price, the students then receive seven hours of driving practice.

The aim of the Physical Education Department is to provide opportunities for the normal physical growth and development of students, and to make physical education interest-compelling and self-motivating. Physical education and health instructors help each individual to reach the highest development of which he is capable as a personality, to help him learn self-discipline, and to acquire a spirit of cooperation. Records, wrestling mats, jump ropes, and peg boards are among the new equipment purchased by the Physical Education Department.

Mrs. Danley instructs the girls in healthful exercises.

ACTIVITIES

"A time for labour and thought,
A time to serve, . . . "
A. Swinburne

Student Cooperative Association

The Student Cooperative Association is the representative government of the school. By working with the administration and student body, its goal is to achieve the highest standards for the school and meet the demands of the students.

The SCA sponsors several activities each year. One of the projects for the 1965 year was the "Miss Central" beauty contest. The profits of the contest were used in the Foreign Exchange Program, which has been the main project of the Central SCA in combination with the Central PTA. Other events included the 1965 Homecoming, sending representatives to district meetings, and raising money for the Citizens' Scholarship Foundation.

The SCA is composed of one representative elected by each homeroom, the presidents of all school organizations, the editors of all school publications, the chairmen of SCA standing committees, and the executive council of the SCA. The sponsor, Mr. J. Allan Kagey, is also present at all meetings. All facets of school are thus represented, linking the students and the faculty.

LEFT ROW: Judy Swecker, President; Mary Lou Wright, Vice President; Dave Brill, Treasurer; Becky Evans, Secretary. RIGHT ROW: Mr. Kagey, Sponsor; Judy Hottle, Reporter; Janet Coffelt, Parliamentarian.

The SCA sponsored an Orientation Day at the beginning of the year for eighth graders. The program included an assembly featuring presidents of Central's clubs.

The 1965 Homecoming events, one of the SCA's first projects, began with a bonfire and pep rally the evening before the game.

Student Cooperative Association

Christmas bulletin boards in each classroom were judged by an SCA committee.

The Womanless Beauty Contest was another of the SCA's money-raising projects.

Tri-Hi-Y

The Tri-Hi-Y, an organization for young Christian girls, was organized to create, maintain and extend high standards of Christian character in the home, school, and community. Meetings, held every month on the second Wednesday, are attended by the seventy-four active members and two advisors.

The main projects of the Tri-Hi-Y cover several fields. In order to raise money for a scholarship, the welfare family, and to send delegates to the Model General Assembly, the club has sold Central license plates and school stationary. The Tri-Hi-Y has helped to solicit for the National Scholarship Foundation in the Shenandoah County. Devotions were given by club members over the public address system during the Christmas season.

The welfare family, which the club helps to support, is the main and most rewarding project. The members contribute clothes, money, food, and toys at Thanksgiving, Christmas, Easter and birthdays.

Hi-Y

The Hi-Y is a boys' club and closely resembles a church youth fellowship. It was begun in 1889 in Chapman, Kansas, as a branch of the Y.M.C.A. and received its name from a combination of high school and Y.M.C.A.

The Central Hi-Y Chapter, now in its second year, is a well-established club at Central. During 1965-1966, the Central Hi-Y collected money for the Heart Fund and for the Citizens' Scholarship Foundation and helped the J.C.'s with their Christmas shopping for underprivileged children.

The Hi-Y movement is a state, national, international, and non-denominational fellowship of high school boys. In the process of the year, this fellowship follows many projects to raise money in hopes of better serving their school, state, and nation.

National Honor Society

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate the desire to render service, and to encourage the development of character in students of Central High School. Its four goals are character, scholarship, leadership, and citizenship.

The main project of the club was to give a scholarship to two worthy seniors. It was hoped that this year the scholarship will be \$100 each. Money was earned for the scholarship by bake sales, candy sales, and other projects.

Future Teachers of America

The purposes of the Future Teachers of America of Central and of all FTA's are very numerous. We try to interest students in becoming good teachers and in exploring the many teaching fields. The development of professional attitudes are stressed and a program for guidance in this profession is set up. Programs are presented at each meeting to better acquaint the members with the different aspects of teaching. FTA cultivates qualities of leadership, character, and scholarship among the students. The members become aware of the privileges and responsibilities of the teaching profession. The students acquire an understanding of the history and development of our public schools, their purpose and objectives and an appreciation of the contributions they have made to our democratic society. Finally FTA helps its members to realize that teaching is prominently a profession that "serves," the school, the community and the nation.

Future Business Leaders of America

The FBLA is a co-curricular organization for any student enrolled in a business course.

The activities are planned around a 5-point system:

1. Increase Business Knowledge and skill.
2. School and Community Service
3. Financial
4. Social
5. FBLA Activities

At the same time we try to develop competent, aggressive business leadership; strengthen the confidence of young men and women in themselves and their work; create more interest and understanding in the intelligent choice of business occupations; and to encourage and practice thrift.

The Central Chapter had many activities in 1965. It sponsored a Leg Contest and made shakers for the Homecoming Game.

Future Farmers of America

Of the 400,000 membership, the Central Future Farmers of America Chapter has approximately 80 members. Each year Central takes part by sending the Chapter President to the National F.F.A. Convention held in Kansas City, Missouri. The Chapter participates in all local Federation Contests, Public Speaking Contests, Crop Judging, Dairy Judging, Forestry Judging, Farm Mechanics and Tractor Driving. The trip to Harrisburg, Pennsylvania is looked forward to by the boys of all grades. The Annual F.F.A. Banquet is held each year during the month of April. Following the school year, the Chapter is represented with a judging team at the State F.F.A. Convention held in Blacksburg. The Chapter cooperates with other organizations in the school area in making the community a better place to live.

Future Homemakers of America

The Future Homemakers of America is an organization for girls in junior and senior high school who are enrolled in home economics courses. Home economics and F.H.A. are interested in providing opportunities for growth, leadership, and maturity.

Members may achieve the following degrees through the Degrees Program: Junior, Chapter, and State. Girls who set for themselves high goals and successfully carry out these plans are evaluated and degrees are conferred in the spring of each year. Junior and Chapter Degrees are given on the local level; State, on the state level.

Debate Club

The Debate Club is composed of students interested in skilled public speaking and offers to them a fine opportunity to develop their talents. With the help of the sponsor, Miss Dorothy Rothgeb, members prepare effective arguments on the debate topic. The 1965-1966 debate topic is: "Resolved that the federal government should adopt a program of compulsory arbitration in labor-management disputes in the basic industries." Several practice debates are presented to English and History classes within the school, as well as to other schools, during the second semester. Most of the debates held throughout the year are preparatory for the Forensic meets in the spring.

Library Aides

The library at Central is an integral part of the total educational program of our school. Because it does provide materials for all subjects and all interests of pupils and teachers, it is important that it function efficiently. To help in the work that goes into making our library effective, students volunteer their aid. These student assistants perform such tasks as shelving books or checking books "out" and "in"; they may be called upon to find books or materials. Some will use their skill in clerical work such as typing, simple filing, and record keeping. Thus, librarian and pupil team together to make books and other materials available for research and entertainment.

Miss Dorothy Rothgeb works in her office to coordinate research work, educational reading, and pleasure reading for Central's students.

Dramatics Club

The Dramatics Club is designed for persons who are interested in and appreciate the art of the theater. Its main purpose is to stimulate an interest in dramatics and to improve one's entire mannerism upon the stage. The outstanding activity of the club is the annual One-Act Play Festival held at a school in the district, for which the club members produce their own play. The play is given a rating of Good, Excellent, or Superior, and the cast is given helpful hints on improving their production. Careful and extensive training is given to members of the cast for the play. The 1966 One-Act Play was "Keep Your Halo Straight," for which the Central group received an "Excellent" rating.

Band

Gretchen Benchoff, Vice President; Susie Myers, Treasurer; Mr. Figgins, Director; Sally Patronik, Secretary; Gerald Frye, President.

The Central Bands are fortunate to have Mr. Robert Figgins as their director. He is a recent graduate of the Shenandoah Conservatory of Music in Winchester, Virginia.

The Varsity Band has fifty-two members and the 8th Grade Band has twenty-three. Band classes meet every day and extra rehearsals are held at night when needed.

This year each member is responsible for keeping his uniform at home and in good repair. This has greatly cut down on the confusion when uniforms are to be worn. Band letters are also being awarded this year; to qualify for a letter a student must be a Varsity band member for two years and have a C average or above for both years.

An excellent concert was presented at Christmas before an appreciative audience.

In March, the band attended the District Festival in Waynesboro and received a good rating.

Our band adds much to our school and is a great opportunity for all students.

Chorus

This year the Central High Junior and Senior Choruses are under the direction of Mrs. William B. Holtzman, who attended Bridgewater College.

The entire Choral Department presented a Christmas cantata, "Born a King." This concert drew a large appreciative audience. The Choral Department of Central is divided into two groups. The first group is the Senior Chorus made up of 48 members all ranging from tenth to twelfth grade. The Junior Chorus has 56 members from the eighth to ninth grade.

The singing groups are accompanied by Misses Debbie Wender, Donna Fernandez, and Judy McClanahan.

The group below is the Senior Chorus, including grades ten through twelve. The section on the top of the opposite page is the Choraliers, a selected singing group; on the bottom, the Octavo Chorus, consisting of eighth and ninth graders.

Members of the Choraliers participated in 1966 District V Chorus Concert, conducted by William W. Lemonds, at Robert E. Lee High School in Staunton.--Courtesy Staunton Leader Papers.

Paper Staff

THE CENTRALITE is a student-run, student-supported publication. It was organized in 1959 to promote interest in journalism and creative writing, to provide an outlet for ideas and talents of students, and to keep the student body informed on events which concern their lives in both their school and community.

Evolving from a mimeographed news sheet, THE CENTRALITE is now printed by the Warren Press in Front Royal, Virginia, by modern, offset methods.

Participation in its publishing is voluntary and only slightly selective. Approximately thirty staff members--journalists, typists, business and editorial staffs--work together to complete monthly issues.

Annual Staff

We, the staff of the 1966 Wings, would like to present this book to you, the students, faculty, and staff of Central. The production of an annual is something that can only be accomplished with the help and cooperation of many people. To these people we owe many, many thanks.

In many ways the Wings has been changed. We hope that you will enjoy these changes and that you will appreciate the significance of the theme and cover.

We are both happy and honored to be able to present to you your 1966 Wings with the hopes that it will serve to remind you of all you have gained and all you have added by being here.

1965 marked the first year of golf competition at Central and within the district. Although the golf team was not well known at the beginning of the season, by the end of the year, many questions were being asked and comments were being made about the success of this team. Competition was held at golf courses throughout the valley, Shenvale, Front Royal, Lakeview, and Spotswood. Mrs. Jane Swartz, as sponsor, transports the team to the matches. Enthusiasm for this sport has led to greater participation.

1965 & 1966 Track

The 1965 track team had several strong seniors. Bill Logan was chosen Central's Outstanding Trackman for that year for scoring 80 points in meets; Donnie Golladay was awarded the Northern Virginia Daily Trophy for his scoring the most points in a county track meet. Two school records were set in the spring of 1965, Gary Rutz threw the discus 134'4" and Jerry Gochenour ran the 880 in 2 minutes 10 seconds. With this outstanding team, the Central Falcons won the county meet for the sixth consecutive year.

The 1966 track team had only seven returning lettermen. Jerry Gochenour, the only senior, defended his 880 record in 1966. Dave Brill, a junior, challenged the shot put record set by Donnie Golladay. Tom Johnson, a 440 runner, was a junior. A sophomore, Tom Bowman, was the only returning pole vaulter. Steve Sine, distance runner, and Randy Rudolph, a hurdler, rounded out the Varsity track team.

Football

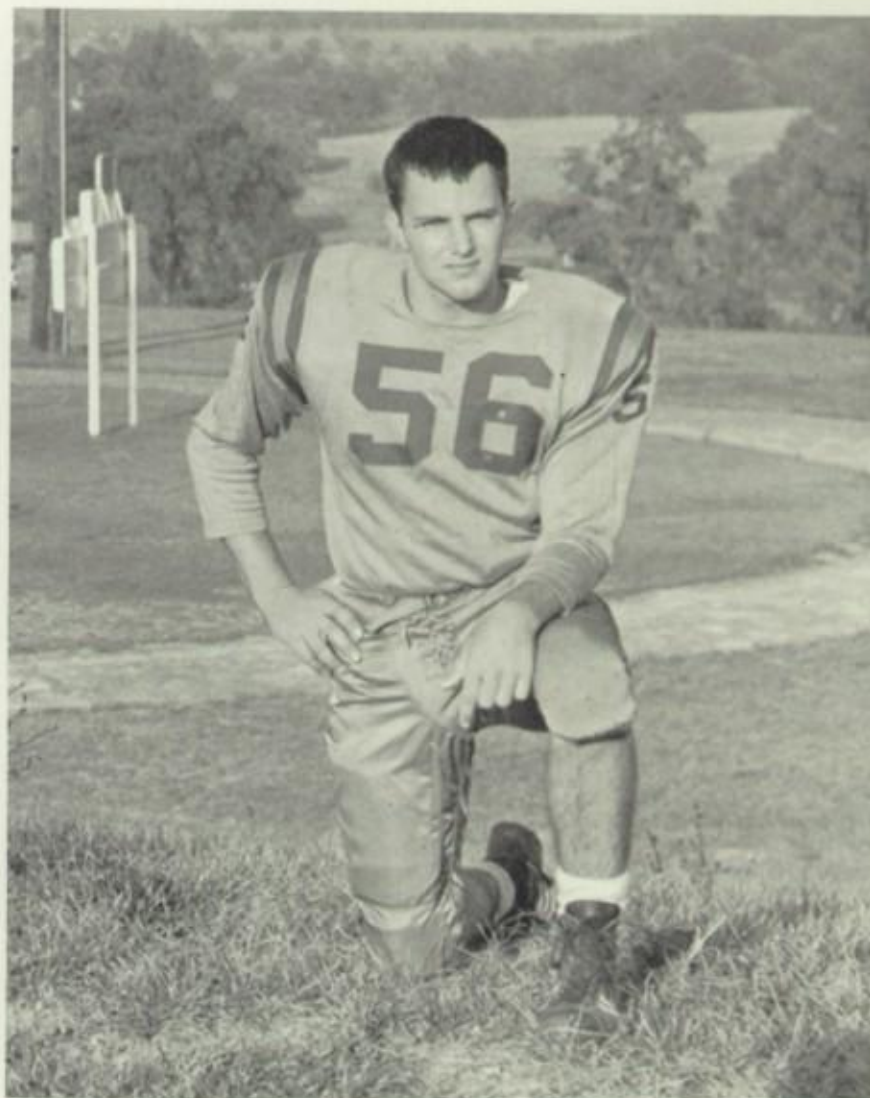

Central's first win of the season was a 21 to 7 victory over Stonewall Jackson. Phillips scored two touchdowns and Fields tallied one touchdown; Mike Evans added the extra points.

The Falcons won their second game against Montevideo. This is the first time Central had defeated Montevideo in football. Kenny Hausenfluck played a marvelous game, making sixteen tackles, intercepting a pass, and stopping a Maroon from scoring an almost sure touchdown. Dave Brill scored two touchdowns and Mike Evans, one. The final score was Central, 18 and Montevideo, 7.

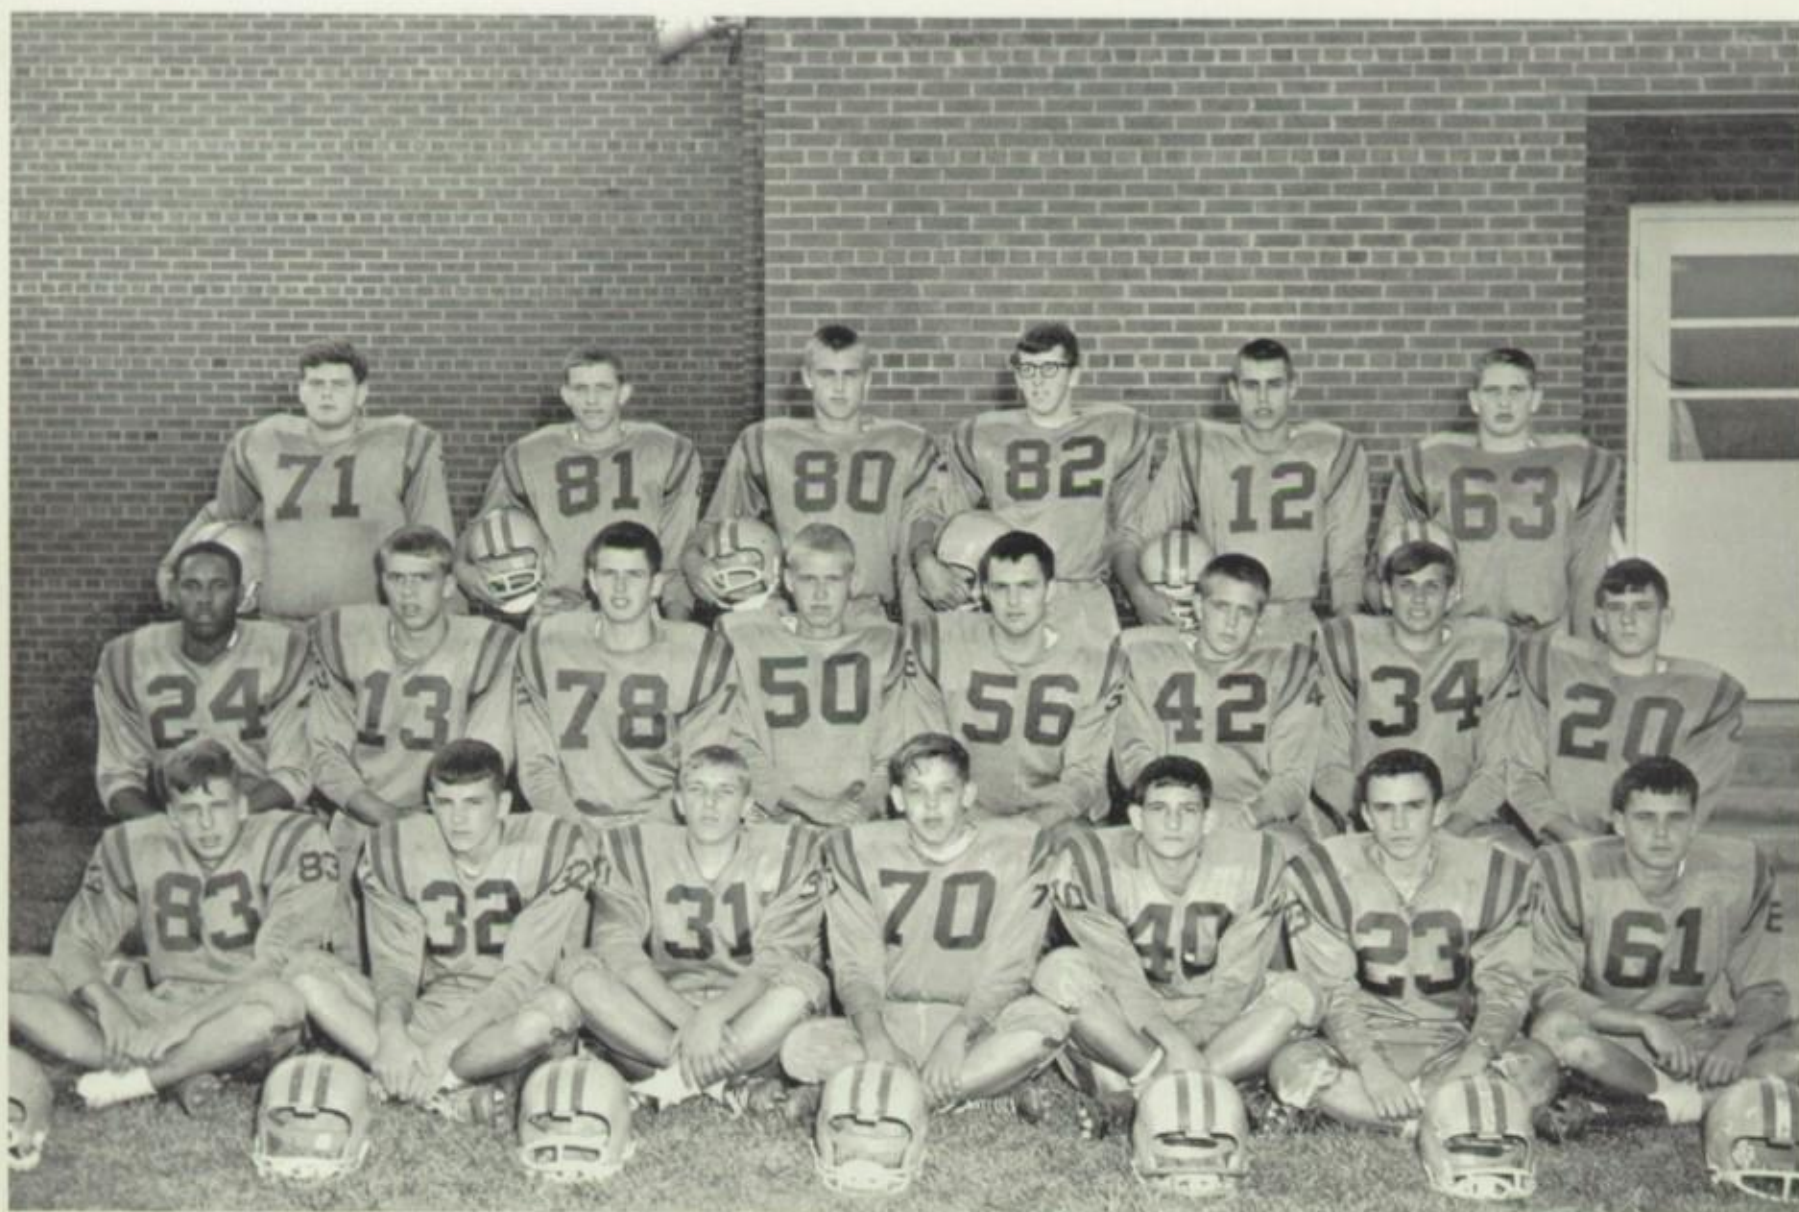

The third victory was against Strasburg. It looked like the Rams were going to win. The Falcons came back strong and won 13-7. Phil Grabill gave a beautiful fake-up through the middle and threw a perfect pass to Mike Evans, who scored and also added the extra points. Phillips intercepted a Ram pass and ran fifty-five yards for the final touchdown. Towards the end of the game Jeff Dalke intercepted a Ram pass and ruined the Rams hopes for scoring another touchdown.

Keith Richards, Dave Brill, and Kenny Hausenfluck played impressive defensive games through-out the year.

Playing against the handicap of only four experienced boys, the team had a very good season. The strong sophomore section of the team will produce an excellent team in a few years.

Girls' Basketball

The girls' varsity basketball team ended its 1965 season with a 7-3 record, grossing 405 points to their opponents 344. Gretchen Benchhoff led the scorers with 198 points.

The Falconettes opened with a 25-23 victory over Broadway. After stomping Stonewall by a 51-32 score, the varsity was defeated when the Ramettes won over them by 54-44. Another hard-fought game was lost to Fauquier. The girls traveled to Broadway for another victory, 27-26. Strasburg defeated the Falconettes a second time by 41-25. The team won over Clark County, 47-44. Central had another smashing victory over their county rivals, Stonewall, by a 65-29 score. The Central girls honored the Fauquier girls with a defeat, 44-34. The closing game was a victory for the Falconettes; Central, 39, Clark County, 24.

Mrs. Pat Vaughan coached the fast-moving teams to their many victories.

Girls' Basketball

Gloria Crisman and Helen Pendleton, managers; Helen Spiggle and Yvonne Young, score and time-keepers.

Becky Evans shoots for the Little Falconettes, as Sharon Leake, 21, Emma Swartz, 29, and Linda Koch, 3, look on. Central's junior varsity team won over Strasburg.

The girls' junior varsity basketball season was a "hit," winding up with a 9-1 record. There was no specific captain for the season, but a different girl took her turn at every game. Mrs. Pat Vaughan had the difficult job of choosing a team from the more than seventy girls that tried out. The final team consisted of two eighth graders, nine fresh-

men and seven sophomores.

The Little Falconettes won both their games with Stonewall, Strasburg, Fauquier, and Clark County. The Central junior varsity won their first game with Broadway, but lost the second.

With 81 points, Emma Swartz led the team's total of 248.

STANDING: B. Lineweaver, J. Jennings, C. Thompson, B. Zirkle, S. Helsley, S. Leake, A. Frye, E. Swartz.

Varsity Basketball

The Falcon's ended their 1965-1966 season with an 8 win and 10 loss record. C.H.S. was, by no means, a consistent ball club throughout the year. In the first game with Stonewall, the Falcons went into the third quarter boasting a good lead; however, the Falcons drew a cold hand and narrowly escaped defeat by the fired-up Generals. The final score was 76-73. The first game with Rappahannock was on their home court. The Panthers, seeded next to last in front of Strasburg, played an inspired game and handed Central the biggest upset in this year's schedule. However, when the Panthers came to play at Central the Falcons played well organized ball and firmly trounced the Panthers. This again happened with the Montevideo Maroons. When the Falcons travelled to Penn Laird, they defeated the Maroons by four points but were, in turn, defeated by the Maroons at Central. The easiest victories of the season for Central were those over Strasburg. In both games with the Rams, Central not only won easily, but also substituted freely. Even though the teams overall schedule was nothing spectacular, the Central fans can take pride in the fine exhibition of sportsmanship and ability displayed by the Falcons in most of their games.

Varsity Basketball

Richard Bolen, a senior, often started or was used as the sixth man on the squad.

Jerry Gochenour, a senior and letterman, played sometimes as a starter.

Bill Ritenour, a junior, has excellent ball control and is good playmaker, with accurate shot.

Randy Rudolph, junior, has special jumping ability and therefore excels in rebounding.

Phil Lutz, a senior and letterman, played effective defensive ball and has shown up well.

Bobby Click, a senior, was the playmaker and leadman in the Falcon's fast break.

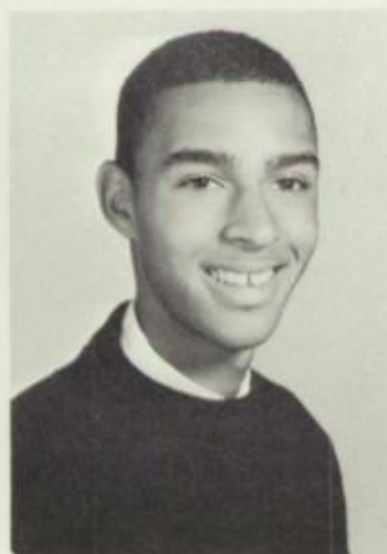

Randy Shipe is a junior, who has special jumping ability and could be a starter.

Wesley Shiley, a junior and first year letterman, moves well and is an able rebounder.

Mike Cahill, who was second leading rebounder and scorer previous to an injury, is a senior.

Mike Thompson, a junior, was second leading scorer in the district and also leading rebounder.

Phil Grabill, a junior, saw limited action, but should develop to some extent by next year.

Mike Evans, the only sophomore, is very quick and agile and a tough defensive man.

Junior Varsity Basketball

The Central Junior Varsity team had an 8-8 season this year. They got off to a good start, by trouncing James Wood and Elkton. They lost to Montevideo but won again at Stonewall. Then they started an off-on run until the end of the season, when they brought in three victories before the final TA loss.

The team was coached by Jerry McGuire.

Games were not limited to just first string boys. In fact, in the first and final games, all team members played. The season started off with these five on the first string: Randy Phillips, Danny Phillips, Kenny Hausenfluck, Jeff Dalke and Lloyd Spinner, with alternates, Bobby Fields and Charles French. After losing the Phillips boys, the second semester starters were Steve Strosnider, Kenny Hausenfluck, Jeff Dalke, Bobby Fields, and Charles French. Consequently, the team lost some of its height but gained considerable speed. The JV scoring record was broken twice, by Lloyd Spinner, who hit for 21 points one game and by Bobby Fields with 22. Bobby Fields and Steve Strosnider led the team in rebounds for the year, averaging 15-20 balls a game. Jeff Dalke served as playmaker.

Mr. McGuire, Coach; M. Flemings, Scorekeeper.

EIGHTH GRADE BASKETBALL TEAM. SEATED: C. Lutz, L. Ritenour, G. Leake, J. Gochenour, F. Orndorff, J. Ryman, G. Cooper. STANDING: G. Coffelt, J. Pence, W. Hollar, G. Hoover, Q. Hull, T. Lambert, M. McCarthy, Mr. Moyers, Coach; R. Walker, Captain.

Varsity Cheerleaders

The Varsity cheerleaders of Central High helped the sports' teams to many well-played games throughout the 1965-1966 season. Sponsored by Mrs. Holtzman, the choral director, the team includes three seniors, Judy Swecker, Darlene Walsh, and Penny Koon. Two juniors, Linda Peer and Patty McFarland, and one sophomore, Susie Myers, composed the rest of the squad. Judy Swecker and Darlene Walsh were co-captains. The Varsity cheerleaders acquired new uniforms in the latter part of the basketball season; the skirts and tops were made of navy blue wool with a large gold "C" on the front. New blue and gold pom-poms gave many cheers a varied look. The Varsity cheerleaders main goal is to promote better school spirit.

TOP TO BOTTOM: Judy Swecker, Linda Peer, Penny Koon, Susie Myers, Darlena Walsh, Patty McFarland.

Varsity Cheerleaders enthuse fans before basketball game with Rappahannock on February 11.

Junior Varsity Cheerleaders

In the 1965-1966 school term, the Junior Varsity Cheerleaders had three girls from the freshman class, Peggy Swecker, Phyllis Hottle, and Mary Ann Womble, and three from the sophomore class, Karen Wilkin, Betsy Hoffman, and Anne French. The alternate, Marguerite Long, was also from the sophomore class.

The J.V. Cheerleaders supported the junior varsity teams of football, girls' basketball, and boys' basketball at all home games; during this year, there was a new ruling made that the J.V.'s could not attend away games. Cheers at pep rallies were frequently led by the capable Junior Varsity squad, and they enthused fans at many exciting games.

Junior Play

On April 1, 1965, the Junior Class presented "The Little Dog Laughed," a three act comedy by Vera and Ken Tarpley. The play began at 7:30 p. m. in the Central Auditorium.

The characters and members of the cast were the following: Laurie Huntington played by Darlena Walsh; Sydney Huntington, Dale Burch; Martha Huntington, Susan Sweeney; Wally Huntington, Gerald Frye; Miss "Gus" Gustavesky, Diane Foster; Joan Wood, Judy Swecker; Ted Wood, Phil Lutz; Lillian Wood, Yvonne Young; Mark Bradford, Buddy Pence; Horatio P. Honeywell, Alfred Carwile; a guest at Martha's tea, Sharon Dellinger; Caroline Blakesly, Susie Lineweaver; Grace Schoenbeck, Ellie Tavenner; Walola Breckenridge, Mary Lou Wright; and Therese Brown, Patty Finks.

Mr. J. J. Sperry did a fine job of directing the play. The money made on the Junior Play was used in preparing a successful 1965 Junior-Senior Prom.

The play cast spent much time in preparing costumes; the excellent make up was applied by Mr. Sperry.

Gus and Horatio (Diane and Alfred) were the two funniest and most favorite characters of the play.

STANDING: E. Tavenner, P. Lutz, D. Bolen, D. Burch, M. L. Wright, D. Foster. SEATED: S. Lineweaver, D. Walsh, S. Sweeney. FRONT: S. Evans, G. Frye, J. Swecker, P. Finks.

Prom

The girls in their evening gowns and the boys in their dinner jackets added the final beauty to the gym. The prom of 1965 is now over but memories of "Never, Never Land" will not be lost.

In a setting of fantasy land, the Juniors presented their prom "Never, Never Land" to the Seniors on May 7 from 8:00 p.m. to 12 midnight.

The gym was softly decorated in light blue, dark green, and light green crepe paper. A French window accented the entrance onto the dancing floor. The window, as in the story of Peter Pan, displayed a blue velvet window seat, the umbrella and top hat that belonged to John, and Mitchell's favorite possession---his teddy bear.

The "Royal Virginians" provided music for the event. Placed on a deck of the pirate ship, the group entertained throughout the evening with soft romantic music.

Debbie Wender, chairman of the prom committee, was aided by the faculty advisors and many Juniors, who devoted their time on Saturdays and week nights to make the 1965 prom a success.

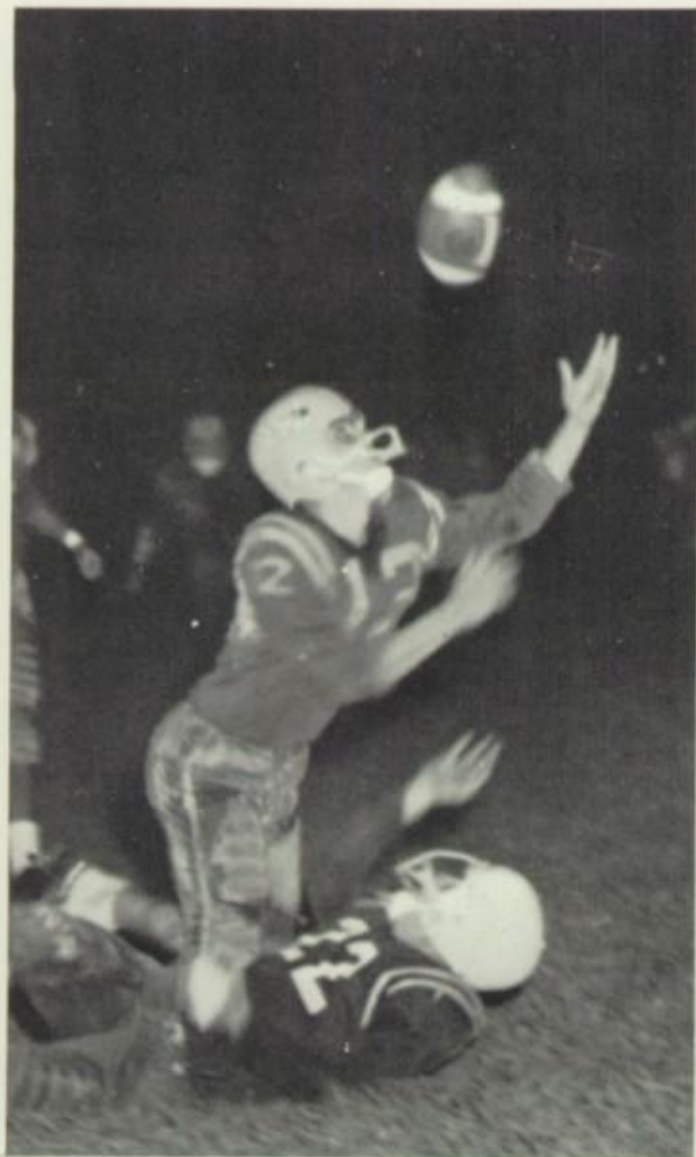

A glittering blue castle, situated in a cloud, was the center of the dancing floor.

To the left of the castle hung the shimmering lantern in which Tinker Bell had been captured.

Homecoming 1965

Phillips tries unsuccessfully for a pass during Luray game. Luray won, 27-0.

Homecoming 1965 began with the football game on Friday, October 8. The Central Falcons played host to the Luray Bulldogs. The goalposts were decorated in blue and gold, and the spirit of Homecoming was aroused by the Varsity Cheerleaders.

At half-time, the Falcon Band marched onto the field in "V" formation. Inside this "V" rode the queen, at that time unknown, and her court. The court consisted of representatives from each grade, elected by the students. They were: Jan Hutchinson, eighth grade; Sharon Long, freshman; Betsy Hoffman, sophomore; and Linda Newland, junior. The queen and her two attendants were chosen by the football team. These three seniors were Susie Evans, Ann Kline, and Cathy Fadeley. After the band's performance, Keith Richards, captain of the team, came forward to crown the queen, Miss Ann Kline.

The Falcon Band performs for Homecoming festivities.

Up until this moment, no one knew which girl had been chosen by the football team to wear the crown. Then Captain Richards placed the crown on the head of Miss Ann Kline.

The Homecoming Queen and her attendants admire the Luray Bulldog dummy, made by the J. V. cheerleaders.

Homecoming 1965

The final Homecoming event took place on Saturday night, October 9. This was the semi-formal dance for all of Central's students, alumni, and faculty. Music was furnished by the Playboys, a five piece orchestral band, from Winchester. Refreshments were served in the main lobby.

The theme of the dance was "Highlights of the Year" and was carried out in the decorations. Blue and gold streamers were attached from the ceiling to the walls. The theme was spelled out in large silver letters on the stage curtain and a large falcon was placed underneath.

Ann Kline (seated) was crowned Miss Homecoming 1965. Members of the court were Betsy Hoffman, Susie Evans, Cathy Fadeley, Linda Newland, and Sharon Long. Not pictured is Jan Hutchinson.

Senior Play

"Maybe You're Wrong," a three act comedy written by Anita W. Crust was presented to a large audience in Central's gymnasium on December 2 by sixteen representatives of the Senior Class.

The Play was based, in simple terms, on the problem of adult delinquency and the resulting factors leading to a potentially unhappy home. Over half of the students composing the cast had participated in previous dramatic productions, which seemed to give the play a sense of confidence and self-assuredness. Much recognition must be given to Mr. J. J. Sperry, who served as both director and producer for the play.

Darlana Walsh, Alfred Carwile, and Diane Foster rehearse their parts in the class play, "Maybe You're Wrong."

FIRST ROW: D. Foster, P. Koon, S. Evans, E. Tavenner. SECOND ROW: D. Pierce, G. Frye, D. Walsh, P. Finks, J. McClanahan, M. Miller. THIRD ROW: D. Luttrell, M. Cahill, D. Bolen, D. Burch, L. Sihler, L. Reedy.

Miss Central

Chosen from twenty-four other contestants, Judy Swecker won the Miss Central Beauty Contest on January 6. First and second runners-up were Penny Koon and Ellie Tavenner, respectively.

Mrs. Marcia Holtzman served as MC for the program, the theme of which was "Some Enchanted Evening." While the judges deliberated eliminations and chose the winners from the five semi-finalist, Captain Frank Foti and the Massanutten Military Academy Ensemble entertained the audience. There were many new additions to the annual event. Contestants were arranged on stage on stairs and a ramp was used to allow the audience to view the girls more closely. To aid the judges in their choice of Miss Central, each of the five finalists was asked a question.

Ellie Tavenner, Second Runner-up; Judy Swecker, Miss Central 1966-1967; Laura Glunt, Miss Central 1965-1966; Penny Koon, First Runner-up.

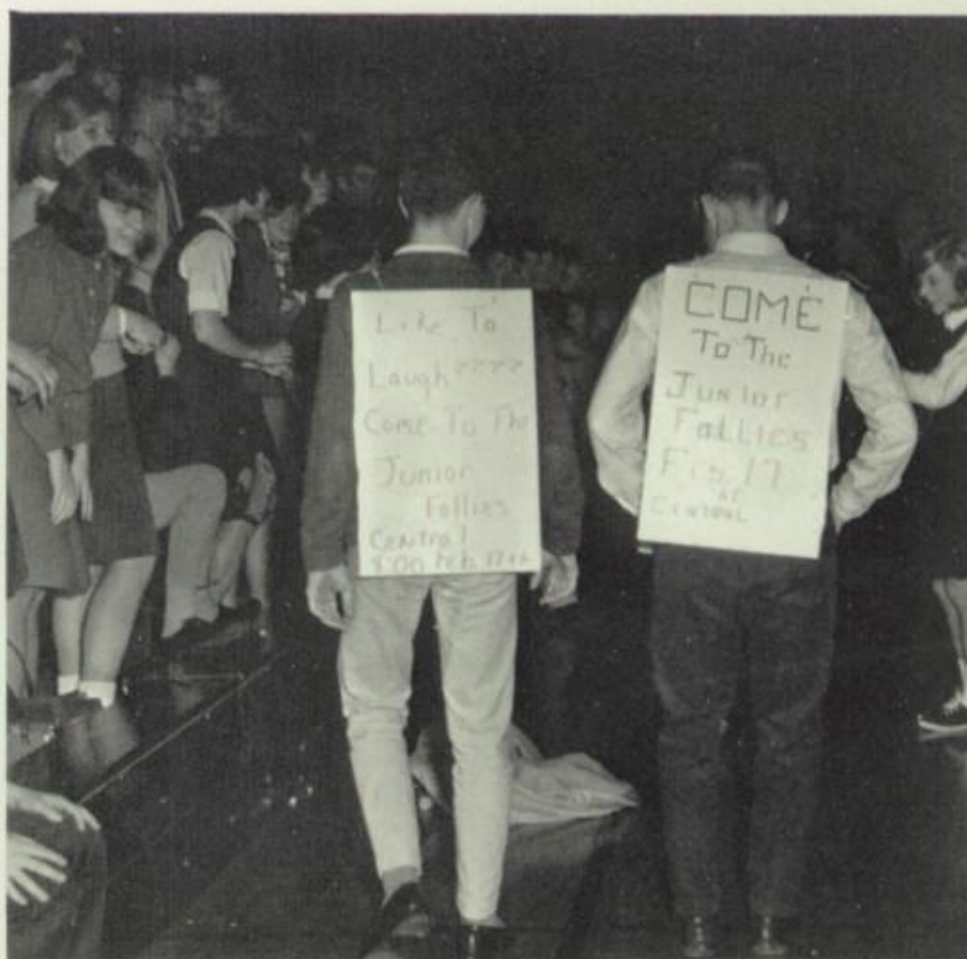

Mrs. Holtzman, MC; K. Richards, Escort. FIRST ROW: J. Lambert, C. Grubbs, L. Racey, D. Foster, C. Yonts, P. McFarland, J. Swecker, S. Tucker, M. Parks, P. Koon, B. Pence, Escort. LEFT STAIRS: S. Seal, S. Crowder, S. Lineweaver, L. Newland, S. Berchdorff, J. George, J. Swartz. RIGHT STAIRS: S. Evans, S. Dellinger, L. Vannoy, B. Pence, A. Kline, M. Miller, S. Combs, E. Tavenner.

Junior Follies

The Junior Class held the annual Follies on February 17 in the Central auditorium.

Helen Pendleton played a piano selection, followed by the FTA's Skit, "School Daze." The next number was the Shenandettes and Combo. Mr. and Mrs. Danley with their children sang "The Valentine Song." Then, it was wrestling; the Masked Marvel and Bouncing Kagey won. Carolyn Lambert and Patsy Kramer of the FBLA showed how cosmetics should be used. For the eighth act, a group of square dance students danced a tip. "The Dropouts," Mrs. Gochenour, Miss Strickler, and Mrs. Tavenner, made their debut in the next act. Dangerous Dan Shaffer, Dixie Peer, and Villiam Benchoff did a skit called "Show Down at Sun Down." For the last act, the Choraliers sang two songs.

The winners, announced after Mrs. Holtzman and Mrs. Brunk sang several Selections, were as follows: for talent, the Shenandettes; for originality, "Show Down at Sun Down;" for the silliest, the Hi-Y cheerleaders; and a special award for talent was given to the Danleys.

The Junior Class advertised the Follies at basketball games and during school, getting much support for their program.

"Birds, Birds, Birds" was the second folly, with Sherry Morrison and Sharon Evans.

The Hi-Y Cheerleaders, Dave Brill, Steve Sine, and Jeff Bushong, did some comic cheers.

Activities

The Varsity Cheerleaders rode a float in the Christmas Parade.

The paper staff put on a "Skit."

Debbie Wender prepared for holidays.

Jerry Gochenour and Cindy Snyder were chosen King and Queen of Hearts.

Mrs. Holtzman crowned the winners of the Womanless Beauty Contest, Mike Evans and Mr. Plum.

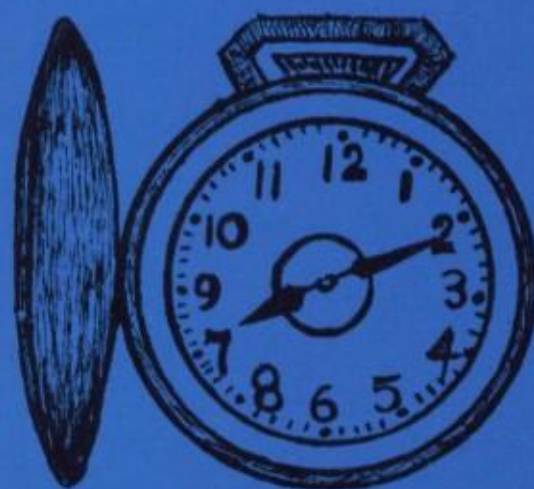

Central students missed two weeks of school in January and February due to snow.

Time has passed. A whole year has slipped from the student's grasp and he better realizes the measurement of time. He has learned to accept challenges with enthusiasm, victory and defeat with equal courage, for he has time to conquer them all. And he will use his asset of time to make the future his.
